

Looking for Prayer Support?

STV Prayer Ministry can provide you HEALING PRAYER via phone or Zoom. In life we all have times or experiences which benefit from prayer with others, and our parish is committed to support for all.

Ask for any healing and encouragement you are seeking from God for body, mind or spirit – for yourself or a loved one.

You will be gently listened to and prayed with by parishioners who are experienced in personalized prayer. All prayer is confidential. Give it a try – God is close to all who call on Him.

Email your prayer requests to stv4prayer@gmail.com and we will schedule a time to talk with you Monday or Wednesday evenings or Wednesday afternoons.

Please note: Healing Prayer does not replace the possible need for the Sacrament of Reconciliation or Sacrament of Anointing of the Sick.
